

Altivar[®] 71 Variable Speed Drives Supplementary Instructions for Altivar 71 Option Cards

Retain for future use.

INTRODUCTION

This bulletin contains supplementary instructions and precautions for the Altivar 71 (ATV71) option cards listed in Table 1. Read and understand these instructions before you begin any procedure with the ATV71 drive controller.

For complete instructions, refer to the installation and option card manuals listed in Table 1. Obtain the referenced bulletins from your field sales representative or from the Technical Library at www.us.Telemecanique.com.

Table 1: Altivar 71 Option Cards and References

Description	Catalog No.	Refer to Bulletin:
Basic I/O option cards	VW3A3201	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Extended I/O option cards	VW3A3202	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Encoder cards for encoders with RS422 outputs, 5 Vdc	VW3A3401	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Encoder cards for encoders with RS422 outputs, 15 Vdc	VW3A3402	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Encoder cards for encoders with open collector outputs, 12 Vdc	VW3A3403	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Encoder cards for encoders with open collector outputs, 15 Vdc	VW3A3404	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Encoder cards for encoders with push-pull outputs, 12 Vdc	VW3A3405	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Encoder cards for encoders with push-pull outputs, 15 Vdc	VW3A3406	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Encoder cards for encoders with push-pull outputs, 24 Vdc	VW3A3407	atv71s_installation_manual_en_v1 or atv71e_installation_manual_en_v1
Modbus [®] Plus card	VW3A3302	atv71_ModbusPlus_EN_V1
Modbus/Unitelway [™] card	VW3A3303	atv71_Uni-Telway_EN_V1
Interbus-S card	VW3A3304	ATV71_INTERBUS_EN_V1
Profibus [®] DP card	VW3A3307	atv71_Profibus_EN_V1
DeviceNet [™] card	VW3A3309	atv71_devicenet_EN_V1
Modbus TCP/IP Ethernet card	VW3A3310	30072-451-30-USmp
Fipio card	VW3A3311	atv71_FIPiO_EN_V1
Controller Inside Programmable Option card	VW3A3501	atv71_Controller_Inside_EN_V1
